# The Cornish Rock Pool

Cut out the pieces along the curved lines and mix them picture side up.

# The Cornish Rock Pool

The retreating tide has left a tiny world between the rocks.

**Jigsaw pieces × 12**

1. Cut out the pieces along the curved lines and mix them picture side up.
2. Start with the corners and put the scene together. Check against the small picture in the instructions.
3. Cover the picture and try again from memory.
