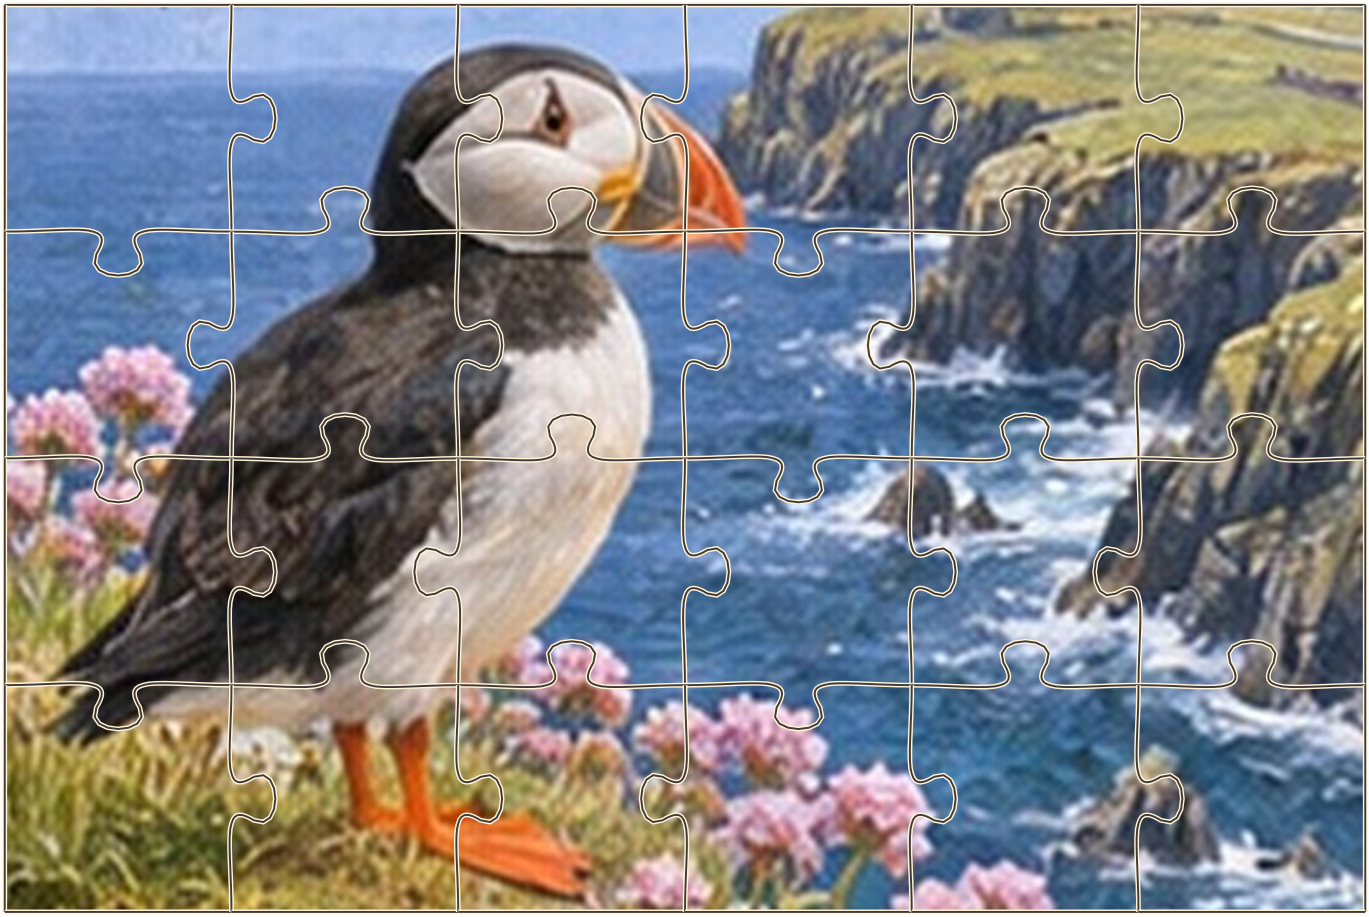
Puffin Island

Cut out the pieces along the curved lines and mix them picture side up.



Puffin Island

From the boat you can just make out the puffins on the ledges.

Jigsaw pieces × 24

1. Cut out the pieces along the curved lines and mix them picture side up.
2. Start with the corners and put the scene together. Check against the small picture in the instructions.
3. Cover the picture and try again from memory.
